

# Outdoor Action Mt. Princeton Climb- Community Service Fund Drive

One of the ways in which you can contribute to community service on campus is to obtain pledges from friends, and relatives. Pledges can be an amount per 1,000 feet of height of Mt. Princeton (rounded down from 14,197 to 14,000) or a fixed amount of pledge. Getting support from others is a great way to expand the commitment to community service and develop a core group of supporters for you in your training and preparation for the climb. Please check the appropriate box for a pledge contribution. Make as many copies as you need.

We ask that you collect the funds (either cash or checks made payable to Community Service Fund Drive - Princeton University) and return them to: Center for Conference and Visitor Services, 71 University Place, Princeton, NJ 08544 by June 30, 1997. This will allow us to have the totals tallied at the climb. Of course, you can continue to solicit pledges up until the climb and bring them with you.
