

Appendix B: Acknowledgments

B

OTA wishes to thank the advisory panel to the “Prospects for Health Technology Assessment” study (which led to this report), its contractors, and the individuals and organizations listed below for their assistance in the course of this study. These individuals and organizations do not necessarily approve, disapprove, or endorse this report. OTA assumes full responsibility for the report and for the accuracy of its content.

Participants in the Workshop on “Alternative Visions for Using Effectiveness and Appropriateness Information to Design Health Benefits: Implications for Health Care Reform and Technology Assessment”

Naomi Aronson

Medical Necessity Program
Blue Cross and Blue Shield
Association
Chicago, IL

Robert Brook

The RAND Corp.
Santa Monica, CA

Stuart M. Butler

The Heritage Foundation
Washington, DC

Arthur Caplan

Center for Biomedical Ethics
University of Minnesota
Minneapolis, MN

Paul Ellwood

Jackson Hole Group
Jackson, WY

Beth Fuchs

Congressional Research Service
U.S. Congress
Washington, DC

Mark A. Hall

Arizona State University
Tempe, AZ

Lucian L. Leape

Harvard School of Public Health
Boston, MA

Patricia Nazemetz

Xerox Corp.
Stamford, CT

Paige Sipes-Metzler

Oregon Health Services
Commission
Portland, OR

Gordon Trapnell

Gordon Trapnell Actuaries
Annandale, VA

204 | Identifying Health Technologies That Work

Participants in the Workshop on “Linking Medical Evidence with Clinical Practice”

John Eisenberg
Chairperson

Department of Medicine
Georgetown Medical Center
Washington, DC

Thomas Backer

Human Interaction Research
Institute
Los Angeles, CA

Catherine Borbas

Healthcare Education and
Research Foundation

Elizabeth Cobbs

George Washington University
Washington, DC

Arnold Epstein

The White House
Washington, DC

Alice Gosfield

Alice Gosfield and Associates
Philadelphia, PA

John Harris

CaliforniaCare
Woodland Hills, CA

Alan Hillman

Leonard Davis Institute of Health
Economics
University of Pennsylvania
Philadelphia, PA

Sherrie Kaplan

The Health Institute
New England Medical Center
Boston, MA

Robert Keller

Maine Medical Assessment
Foundation
Augusta, ME

Risa Lavizzo-Mourey

School of Medicine
University of Pennsylvania
Philadelphia, PA

Charles Silberman

New York, NY

Stephen Soumerai

Harvard School of Medicine
Boston, MA

Michael Stuart

Group Health of Puget Sound
Seattle, WA

Scott Weingarten

Cedars-Sinai Medical Center
Los Angeles, CA
